## We're Looking For Missing Family Members

Parish Federal Credit Union membership is open to your family. (50848)

If your family members are not Parish Credit Union members, we are missing them! Encourage family members to join your credit union by letting them know about the benefits of membership and the credit union difference. We believe in the philosophy of "People Helping People".

The credit union staff would be happy to answer any questions that you or your family members may have. We look forward to seeing your "missing" family members soon!
